Registration, Cancellation and Transfer Policy

Read this Policy carefully- regardless of the nature of your cancellation or transfer request (illness, injury, family emergency, work responsibility, etc.) the terms of this policy **will apply to your Registration!**

The Adventure Risk Management Registration, Cancellation and Transfer Policy is based upon our goal to deliver quality, well-planned courses for our clients. Late cancellations and transfers place courses at risk of cancellation, creating hardship and frustration for other registered clients. Further, once a client is confirmed on a course, Adventure Risk Management incurs multiple expenses that cannot be recovered after a cancellation.

Registration: All courses require full payment to reserve a space. All registered participants must be 18 years of age to participate in a course, or the parent or legal guardian must be present throughout the course. Registration Requests received within 14 days of Day 1 are subject to a \$30 Late Registration fee. Adventure Risk Management reserves the right to decline any Registration Request. Cancellations or transfer requests will be handled according to the following criteria:

5 Day WFR only:

- 30 days or more prior to Day 1 of course: Cancellations/transfer request will be subject to \$75 processing fee, per registration.
- 15 days to 30 days prior to Day 1: 50% tuition refund or transfer credit. (Credits must be used within six months of course.)
- 14 days or less prior to Day 1 (or no show): Cancellation or transfer requests result in 100% forfeiture of tuition.

Courses other than 5 Day WFR:

- 15 days or more prior to Day 1 of course: Cancellations/transfer request will be subject to \$75 processing fee, per registration.
- 14 days to 48 hours prior to Day 1: 50% tuition refund or transfer credit (must be used within six months of original course).
- 48 hours or less prior to Day 1 (or no show): Cancellations or transfer requests result in 100% forfeiture of tuition.

If you are able to find another person to fill your space, there will be a \$75 processing fee (per registration).

Course Textbook costs: If you cancel your registration, the cost of any course textbook (plus shipping fees) that you may have received pre-course will be in addition to any cancellation processing fees. In the event that your course cancels for any reason, you will be responsible for the cost of any textbook(s) that were mailed to you prior to your course. To avoid these costs, any textbook must be returned to us within one week of a cancellation notification, and must be in absolutely new, re-usable condition. ('Wilderness and Rescue Medicine' is \$35. 'Wilderness and Rescue First Aid' is \$25.)

- Ineligibility for Recertification or Bridge courses.
- Ineligibility for certification due to tardiness or absence (100% attendance is required to be eligible for certification).
- Early departures or no shows. Failure of course for any reason.

- 100% tuition credit towards a course within 12 months of your original course, OR
